**ELECTION**

This is in response to the restriction requirement imposed by the Office Action mailed September 22, 2006. Applicants hereby elect Group I comprising claims 1-31.

Although this Election is being submitted after the due date of one month from mailing of the Office Action, no fee for an extension of time should be due. That is because the lateness of response is entirely due to USPTO error in mailing the Office Action to the wrong address. The USPTO did not mail the Office Action to the attorney of record at the Jones Day law firm, but instead to the address of the withdrawn attorney at the Rider Bennett law firm, despite the USPTO being informed of the new correspondence address by three submissions. The first submission is a Request for Withdrawal as Attorney filed by Rider Bennett on June 16, 2004 requesting the correspondence address be changed to Paul Franz of Jones Day. The second submission is a 3.73 Statement filed by Paul Franz on August 5, 2004 confirming his being attorney for the assignee of the present application. The third submission is a Change of Correspondence Address filed by David Cochran on August 30, 2006 requesting the correspondence be changed to David Cochran at Jones Day. Nevertheless, the Office Action (to which this Election responds) was mailed to the withdrawn attorney Alan Kamrath of Rider Bennett. Therefore, no fee should be due for this Election.

If, however, the USPTO determines that an extension of time is required, then Applicant hereby petitions the Director, under 37 CFR 1.136(a)(3), for the required extension of time with the required fee charged to the Jones Day Deposit Account No. 50-1432, Reference No. 783403605015.

Respectfully submitted,

Mitchell Rose (Reg. No. 47,906)
